

## DON'T GO BROKE WHEN YOUR APPLIANCES BREAK.

### EQUIPMENT BREAKDOWN COVERAGE FROM ALLIED INSURANCE

#### HELP WITH THE UNEXPECTED

Replacing and repairing appliances like furnaces, air conditioners, refrigerators and TVs can be pricey. Add Equipment Breakdown Coverage to your home insurance policy and be ready when the unexpected happens.

#### SMALL DEDUCTIBLE = BIG SAVINGS

If a covered appliance breaks down, you'll pay a \$500 deductible and the rest is covered by your Equipment Breakdown coverage. This small deductible could save you big time when you consider the cost of replacing or repairing major appliances.

#### VALUABLE APPLIANCE PROTECTION

If your TV and refrigerator both breakdown in the same month — you're covered. Just pay your deductible each time an appliance experiences a covered loss and we'll take care of the rest.

#### PLUS YOU GET MORE

Equipment Breakdown Coverage also gives you protection for special circumstances:

**Expedited expense** — if you need your appliances replaced or repaired immediately

**Spoilage** — the cost of spoiled food after an appliance breakdown

**Pollutant Cleanup and Removal** — pays for the cleanup and disposal of hazardous substances

**Green Environmental and Efficiency Improvements** — covers the extra cost of replacing your equipment with ones that are better for the environment, safer, or more efficient

**Don't wait until you need a repair.
