

# WHOLESALE INSURANCE

**YOU WORK HARD.**  
So we made insurance *easy* for you.

Allied Insurance, a strong commercial insurer, has made taking care of the details easy for your wholesale business. In fact, now has never been a better time to get a quote from me as our goal is to offer your business complete protection.

As a wholesaler, we know you have specific needs when it comes to insurance. You are an entrepreneur who serves as an integral intermediary to move the goods that service your customers' needs. You thrive on quality and organization to run your own business with success. We know that worries come with wholesale business ownership and we want to shoulder some of the burden, so you can put more energy into your business. Our wholesale coverage can help give you that peace of mind.

Since we specialize in writing wholesalers and distributors insurance, we now offer valuable coverages bundled in a convenient, affordable package:

- **Wholesale PLUS Endorsement:** Feel confident that you are protected with extra coverage designed with your wholesale insurance needs in mind. This package provides lock replacement without a deductible. You are also covered in the event of unauthorized business card use, goods loss during transit to customer, and for computer & funds transfer fraud. We know your laptop is priceless, so this package provides worldwide coverage so your computer is covered during your travels. And finally, contract penalties are also covered as well.

Because Allied is nationally strong and regionally focused with local market understanding, they are able to provide these packages at local competitive rates for wholesaler businesses like yours. In addition to our comprehensive and economical packages, we continue to help wholesalers and distributors by providing these valuable services:

- **Safety training and loss control resources**
- **Flexible payment options**
- **World class claims representatives available 24/7, 365 days a year**

We've been providing professional, personal service for many years. We have the experience, integrity and capital strength to keep our promises to you. Find the economical solution for your business, and *call me today!*
